Taylor Mohs

Entry Level Software Developer

(360) 621-7447
taylormohhs@gmail.com
Mesa, AZ 85203

Aspiring software developer with a solid foundation in HTML, CSS, and JavaScript, evidenced by recent certifications. Possess a Bachelor of Science degree in Biology and Anthropology, as well as an EMT certification, reflecting strong analytical and problem-solving skills. Experience in healthcare and the restaurant/bar industry has honed my ability to work under pressure, communicate effectively, and adapt to dynamic environments. I am eager to transition into software development, leveraging my technical knowledge and diverse experience to contribute to innovative projects.
